Letter of support

Dear Sir,

Somehow the e-mail to you seems not be working.

We therefore fax you enclosed a draft version of a possible 'letter of support' for the scanning project of the emigration passes.

Please feel free to edit and amend the draft version to your own liking.

We would appreciate if you send us such a support letter on your letterhead paper by normal mail. Alternatively, you can call undersigned on 309119 or email to infotech@connect.com.fj and we will arrange for pick-up.

Thank you in advance for your support and help.

Yours truly – and have a great weekend

Daniel Zender
for the organizing committee
